Dear Mr. Pyle:

STAT  
The copy of the Air Transport Association's report, "Red Star into the West," which you forwarded to me under letter dated 25 June was most interesting. I quite agree that there is a lot in this which would be of concern to us. It is my understanding that [ ] will be talking to you about it and I am looking forward to hearing your views.

I also recall the discussion at the OCB meeting on 24 June in which you participated so effectively. It is hoped we can all make a little faster progress toward implementing the policy which was on the agenda that day. The decisions of the Board appear to be a step in this direction.

Sincerely,

SIGNED

Allen W. Dulles  
Director
